## EXPERIENCE

### Psyche | Associate HR & Event Management Head

Phagwara, Punjab | July 2022 - Dec 2023

As a Associate HR & Event Management Head at Student Organization Psyche, My role involved recruiting, training, and managing volunteers, ensuring that the organization had a skilled and motivated team to execute its objectives effectively. I played a crucial role in planning and executing events hosted by Psyche, ranging from workshops and seminars to social gatherings.

### TechStack | Volunteer

Phagwara, Punjab | Nov 2024 - Present

I've been actively engaged in promoting technological literacy and innovation within our community. My role involves assisting in organizing workshops, seminars, and hands-on sessions aimed at educating members about various aspects of technology, from coding and programming to emerging tech trends.

### NSS | Volunteer

Phagwara, Punjab | Oct 2022 - Present

My role involves engaging in activities such as environmental conservation, health awareness campaigns, literacy programs, and community development projects.
